# Welcome Back Sarries Fans

It has been a very busy time at Saracens as we start to look towards the business end of the season for both the Men and Women, but as always the games continue to come thick and fast, and we have another exciting one ahead this weekend.

The Premiership Rugby Cup is a competition that we have great pride in having previously lifted the trophy and bringing through plenty of talent in the process, so for this group there is another opportunity to get a taste of first team rugby against Ealing Trailfinders.

The next three matches over the next three weekends will of course determine whether we progress, but having been at the training ground this week I know there is real appetite to keep developing future stars and this next block of matches will do exactly that.

The last few weeks for the Men's team have been tough, with results not quite going our way, but the attitude and fight shown from some of our younger players in the Exeter match last week gives us a lot to be excited about for the rest of this season and beyond.

The Premiership play-offs are still very much in our hands, and although we sadly won't be playing at home in the Champions Cup knockout rounds, the squad are determined to go away to Toulon and show everyone that we have the quality to go deep into the tournament.

We always take enormous pride at our international representation, and to have so many involved in the upcoming Six Nations makes us very proud as a Club. We will be screening the Ireland v England game after the final whistle on Saturday so please stay to enjoy what should be a fantastic opening match!

The Women are now right back in contention for a home semi-final in the PWR after their brilliant win over Harlequins last weekend. Hosting the PWR Final this year is something we are incredibly excited about, and the possibility of us running out in a home final has given the team real motivation.

The Under 18's are three from three in the Academy League and have another huge game this weekend against Bath. Head to our YouTube Channel to see some of their incredible tries so far, trust us, the next generation is in safe hands!

Off the pitch we have now sold over 40,000 tickets for The Showdown 5 at Tottenham Hotspur Stadium! It is our fastest selling Showdown ever and having seen some of the plans, it is definitely going to be the best one yet so please make sure you get your tickets before they're all gone.

This weekend is a very special one as it is the first time we are doing a Takeover Day with the Saracens Multi Academy Trust. We are incredibly proud of everything the schools stand for and how they support the community, so to have so many of them coming will be amazing. Some of the pupils have drawn the headshots for the big screen, will be doing some announcing over the tannoy and leading a guard of honour so please say hello!

As always, players will be doing a signing in the shop, and we have a player playlist before kick-off to get everyone in the mood.

The Pioneers will as ever be all around the stadium so if you do have any questions please reach out and I'm sure they will be able to assist however they can.

## Enjoy your trip to StoneX Stadium!

Hamish Wilson, COO  
of Saracens Group
