A note from the Club

66

As we look ahead to one of the most significant seasons in the club's history, there has never been a better time to be part of Saracens. Our 150th anniversary year will be a celebration of everything the club stands for - past, present and future - marked by the return of Brendan Venter, the continued rise of an exciting new generation of players, and the opportunity to support Jamie George in what will be his final season in a Saracens shirt. It promises to be a campaign full of emotion, pride and unforgettable moments at StoneX Stadium.

With that in mind, we have taken the opportunity to reshape our season ticket offering to better reflect how our supporters want to watch rugby today. By introducing a more flexible core package and giving fans the choice to include additional fixtures, we've made season tickets simpler and better value than ever before. Whether you're a long-standing supporter or considering joining us for the first time, this is the smartest and most rewarding way to experience everything the 150th season has to offer - together, as part of the Saracens family.

From all of us at Saracens

What's changed?

Ahead of next season, we have carefully reviewed our Seasonal Membership offering and listened closely to feedback. As a result, we are introducing a series of refinements designed to simplify the product and ensure it continues to deliver excellent value compared to purchasing tickets on a match-by-match basis.

As part of these changes, Seasonal Memberships will now be known as **Season Tickets**, creating a simpler and more familiar offering for supporters.

Better flexibility

The first key update is that PREM Rugby Cup fixtures will no longer be included within the standard Season Ticket package. Attendance data shows that, on average, only 33% of Seasonal Members attended these fixtures. This change allows us to better align the package with supporter preferences.

These matches will remain available as an optional add-on for those who wish to include them in their season, ensuring you don't miss any of the action. This upgraded option will be known as a Season Ticket Plus.

For PREM Rugby Cup fixtures in 2026/27, seating will be unreserved. As such, your usual seat will not be guaranteed for these matches. In line with previous seasons, the West Stand will remain closed for these fixtures so fans can be seated closer together, allowing for better atmosphere inside the ground.

Better value

Season Ticket prices have been significantly reduced for the 2026/27 season, while individual match ticket prices will increase. This approach ensures that the best value continues to be offered to our most loyal supporters who attend regularly throughout the season.

Concession Changes

The previous Under 24 category has been extended to Under 30s, creating a more accessible and inclusive offering for younger supporters.

From the 2026/27 season, concession pricing for Over 65s will be reduced. However, with Season Ticket prices decreasing next season, the overall cost of your Season Ticket will still be lower than in 2025/26.

Seat Category Update

From the 2026/27 season, Red and Black seating categories will be renamed as Bronze. This is a naming update only, designed to simplify our seating structure - there will be no changes to seat locations or your position within the stadium.

Pricing

With Season Ticket prices reduced for 2026/27, they represent the best value they've been for years and remain the most affordable way to attend every home match, whether you choose a standard Season Ticket or a Season Ticket Plus. Prices are on average 18% lower than the current 2025/26 season.

This change has been made to ensure you can continue supporting the team we all love, while keeping the cost of attending matches as accessible as possible.

2026/27 Season Ticket Plus

Season Ticket Plus gives you access to all men's home league and pool-stage fixtures, including PREM Rugby Cup matches (excluding friendlies and knockout games), offering the same level of access as the 2025/26 season.

Frequently Asked Questions

What significant changes have been made to the 2026/27 Season Ticket?

PREM Rugby Cup fixtures will no longer be included in the standard Season Ticket package. Attendance data showed that, on average, only 33% of Season Ticket Holders attended these matches, so this change better reflects supporter preferences.

These fixtures are still available as an optional add-on through the Season Ticket Plus, ensuring you don't miss any of the action if you choose to include them.

What's included in each Season Ticket option?

Standard Season Ticket:

- All Saracens Men's regular league home matches in the Gallagher PREM
- All home pool stage matches in the Investec Champions Cup
- The Showdown 7 at Tottenham Hotspur Stadium

Season Ticket Plus:

- Everything in the standard Season Ticket
- Plus, all home pool stage PREM Rugby Cup fixtures

What should I know about attending PREM Rugby Cup fixtures with a Season Ticket Plus?

Seating will be unreserved, so your usual seat is not guaranteed. The West Stand will remain closed due to lower attendance levels.

Are any matches excluded?

Yes. Touring fixtures, friendlies, warm-up games, and knockout matches are not included in either Season Ticket package.

Are Saracens Women's fixtures included in the 2026/27 Men's Season Ticket?

Access to Saracens Women home matches is not included in the Men's Season Ticket.

However, Men's Season Ticket Holders can purchase a Women's Season Ticket at a discounted rate. If you have already renewed or purchased a Men's Season Ticket for the 2026/27 season and would like to add a Women's Season Ticket, please contact Supporter Services at supporterservices@saracens.net or call **0203 870 3303**.

Do you offer any discounted Season Tickets?

Yes. Season Tickets are discounted by 10% for Over 65s and Under 30s, and 50% for Under 16s. Please note that these discounts do not apply to Platinum or Platinum Plus packages. Please note, to apply a concession rate to your Season Ticket you will have to contact Supporter Services at supporterservices@saracens.net to supply proof of age (DOB).

For the 2026/27 season, there have been some changes to the concession structure. The Over 65 discount has been reduced; however, with overall Season Ticket prices lowered for 2026/27, the Over 65 price remains lower than in 2025/26, even when the higher discount was applied.

In addition, the previous Under 24 category has been extended to Under 30s, creating a more accessible and inclusive offering for younger supporters.

If I can't attend a match, can I transfer my ticket to someone else?

Yes. All Men's Season Tickets are fully transferable. If you are unable to attend a match, you can easily forward your ticket to a friend or family member to use. For information on how to transfer your ticket, please click [HERE](#).

Will I receive a new Season Ticket for the 2026/27 season?

All Season Ticket Holders will receive a digital Season Ticket through the Saracens ticketing app.

Supporters can also opt to receive a physical Season Ticket card for £15, which will be delivered ahead of the first home match of the regular season.

How do I purchase an age-related concession Season Ticket?

For any age-related Season Ticket enquiries (Over 65s, Under 30s, Under 16s), please contact Supporter Services at supporterservices@saracens.net.

Please note that valid ID will be required to confirm your date of birth when applying these discounts.

I would like to buy a Season Ticket for my children. Are there restrictions on where they can sit?

StoneX Stadium is a family-friendly venue, and children can hold a Season Ticket in most areas of the stadium.

Please note:

- Under-16s must be accompanied by an adult at all times
- Discounted Under-16 Season Tickets are not available in Platinum or Platinum+ seating categories

Can I upgrade my seat for individual matches?

Yes. Season Ticket Holders may upgrade their seat category on a match-by-match basis (subject to availability).

To arrange an upgrade, please contact Supporter Services at supporterservices@saracens.net or call **0203 870 3303**.

What if I have specific accessibility requirements?

For information about accessible Season Tickets, to book wheelchair and companion seating, or to arrange access via an Access CRD, please contact Supporter Services at supporterservices@saracens.net.

Need any help?

Our brilliant Supporter Services team is on hand to help with any enquiries from 9.30am to 4.30pm, Monday to Friday.

You can contact the team by email at supporterservices@saracens.net or by phone on **0203 870 3303**, and they'll be happy to assist with your renewal.
